Building Work Begins
As you will all no doubt be aware, work has begun on our new building. The first part of the work will be done on our front entry area and the main building work will begin during the school holidays on our new multi-purpose room. The building construction is being site managed by Wayne Gould on behalf of Spence Constructions. It is good to see local tradesmen involved in our building project.

Car Park
We have had to make changes to our car parking arrangements at the school during the period of building construction. This is to ensure student safety. The car park will be only for staff and visitors cars and will not be used to drop off and pick up students. All students will need to be picked up and dropped off at the front of the school and enter through the main gate. No students are to walk through the school car park.

Entry to School
All children and adults will need to enter the school by the south door at the back of the school. The main front entry is currently not available for use. The prep one classroom entry will be able to be used until the school holidays when work begins at that end of the school.

Dunkeld Excursion
Tomorrow all students will attend an excursion to Dunkeld. They will see a performance by Oz Opera at the Dunkeld Hall followed by activities at Dunkeld Consolidated School. A BBQ lunch will be provided at Dunkeld.

National Reading Day
Today is National Reading Day and all children have been involved in a range of multi-age shared reading activities this morning to participate in this day. Children always enjoy the opportunity to work in mixed groups and it is good to see the older students assisting younger children with reading.

Clubs
Our Clubs Program will begin on Friday afternoon. Thank you to the parents who have volunteered to run groups and to Mrs Shepherd for organising the program this year.

Pedrina Park Netball Information Evening
The Hamilton Netball Association invites all parents with keen netballers to an information evening
Wednesday 16th September at 7 pm in the Pedrina Park Clubrooms.
This is an excellent opportunity for parents to show their support for HNA and ensure it continues in the future.
Parents will have the opportunity to have input into a number of proposed changes to the current format of HNA junior competition.
Just some of the ideas put forward:
- the inclusion of a Net-Set-Go programme, a pre season competition, changing the times & days, moving away from an aged based competition and many more.
This evening is aimed at netball parents in order to gather the necessary information needed to change the current format of junior netball - so please come along with your ideas and support the HNA committee.
