New Building Plans
The architects have produced a plan for our new building project. This is now available for viewing at the school. This has been a very fast process with very little time for wide community consultation as decisions have had to be made quickly in order for funding to proceed. The plan includes an upgrade of our entrance and administration area and the construction of a new multipurpose room, canteen and reading support room. This is very exciting and work should begin very soon on construction. Please come in and look at the new plans which are on display in the corridor.

Indigenous Workshop
On Friday there will be an indigenous storytelling workshop for all students. This is being organised in conjunction with Moyne Shire and is being conducted at schools throughout the district.

Yo Yo Sales
The Science of Spin workshop last week was very popular with students and included lots of demonstrations of scientific principles in a meaningful way. Yo yos have been sold over the past week and sales have been organised by Junior School Councillors James Cassidy, Aaron Dyson and Jessica Musson. The yo yo sales have made over $50 for Junior School Council funds from the commission received by the school. Well done JSC.

Congratulations
Congratulations to Temika Gay who participated in the Southern Region Badminton Tournament at Geelong last Saturday. Temika was a member of the winning State Pennant D Grade Team. Well done, Temika.

Long Weekend
Just a reminder to the community that next Monday, June 3rd is a Public Holiday. No students will attend school on Monday. Next Friday June 12th is also a Pupil Free Day across the state for all government schools. Teachers will be preparing mid-year student reports. Children do not attend school on this day.

Fundraising: Bunnings BBQ
I have been asked to seek volunteers from parents to assist with the Bunnings BBQ fundraising activity on June 21st. The proceeds of this fundraiser will go directly to subsidise the camping program for this year. Last year we subsidised all camps in grades 3 to 6 by $100 per student and $20 for the Prep to 2 major excursion and sleepover. This was funded through parent fundraising and drought relief funding that the school received in 2008. This year we were hoping to do the same using carry over fundraising money and raising additional funds in 2009. However, without fundraising efforts there will be no subsidies available for camps in the future. This benefits every family and student. If you are able to assist with the Bunnings BBQ please complete the attached form and return to school or contact Andrea Drendel who has volunteered to coordinate this for the school.
