Somers Camp
Yesterday many of our grade 5 and 6 students left for Somers Camp. This is a camping program involving schools from across the district which is offered every two years. It is an 8 day camping experience which is always thoroughly enjoyed by students. Jacinta Mulder has coordinated the camp on behalf of the district and is currently attending the camp. Sonia Barnett is replacing Jacinta during this time in our grade 4,5,6 classroom.

Kinder Transition Visit
Today we held a transition visit for our 2010 prep students. The children visited the school for the morning literacy session and worked with Miss C and our current Prep students. Grade one students moved up for the session and joined the grade 2,3 class as part of our across school transition program.

Clubs
Our Clubs program ran extremely successfully last Friday afternoon and will continue this Friday. Activities included cooking, woodwork, gardening, bead boxes, sock puppets, origami, popcorn and dance. Thank you to parents Nikki Belleville, Marita Petersen, Louise Hill, Sue Logan, Brendan Gay and Chrissy Tischler for offering to run activities. Thanks also to Suzy Millard and Miss C for running dance and popcorn making and to Mrs Shepherd for her organisation of the activities.

Wood for Sale
We have some wood for sale at school. The wood is ready to go on the oval, near the side fence. Anyone interested in stocking up their woodpile please contact the school. All offers considered.

Building Update
The school building project should begin any day. The builders are ready to go but we are waiting for the final sign off on the building permit. Work on demolishing our current canteen should begin next week and the corridor will be sealed near the Prep One Classroom. A temporary door will be installed near my office to allow access to the Prep One Classroom for the rest of the year.

Canteen
There will be no canteen facility operating for the remainder of the year. We are hoping to be able to still offer icy poles for sale once we relocate our freezers. More information next term.

Holiday Work
During the school holidays there will be a lot of work happening around our school. The grade 4,5,6 classroom will be recarpeted and the grade 2,3 classroom is being painted. There is also work being done on fencing and our playground. This is in addition to the major building work which will be happening. Please ensure students are not entering the school grounds during this time so we can ensure safety.

End of Term BBQ
There will be a BBQ on the final day of term as normal. We will also run the parent student games beginning at 1pm with the younger student game followed by the senior game.

Special Birthday wishes to
Nikki Milgate

Cody Ross
