Healthy Breakfast Friday
This Friday May 15th is Walk Safely to School day and the school would like to encourage as many children as possible to walk or ride to school on this day. We are also hosting a Healthy Breakfast at the school for all children and families. Last year we held a most successful breakfast for the first time and will be repeating this event this week. Moyne Shire have funded the breakfast and I thank them for their support. Breakfast will be available at school from 8am onwards. Please join us if you can. Anyone able to assist with cooking pancakes and setting up the BBQ please let us know.

Education Week
Next week is Education Week and we have two events planned. The grade 6 students will be attending a two day leadership camp at Dunkeld which is being funded by the GtASS group of schools. I will be attending this camp assisted by Julie Timms on Tuesday and Wednesday of next week.

Tabloid Sports
On Monday grade 6 students will be organising a tabloid sports afternoon beginning at 1.30pm. We would like to invite families to attend this afternoon and join in with your children in the activities. The activities will be run by grade 6 students and it would be great to see many parents joining us for the afternoon. We ask that all students bring a healthy lunch on Monday following on from our Friday Healthy Breakfast. Families are welcome to join us for lunch at 12.30 then stay for the tabloid sports in the afternoon.

Student Teacher
I would like to welcome Doug Turner to our school for the next two weeks. Doug is a student teacher from Deakin University and is completing teaching rounds in the grade 4,5,6 classroom.

Bunnings BBQ Fundraiser
As part of our fundraising for this year the school has booked the Bunnings Community BBQ in Warrnambool on Sunday June 21st. We will need volunteers to man the stall over the day from 8am till 4pm. I have attached a note asking for volunteers. If you can assist please let us know.

Name ____________________
I am able to assist with the Bunnings BBQ Fundraiser on Sunday June 21st at the following times:-
8am - 10am ___
10am - 12 pm ___
12pm – 2pm _____
2pm – 4pm ______
assist at any time during the day please complete the form and return to school. Andrea Drendel has offered to coordinate the event but many helpers will be needed. Remember much of our fundraising is going to subsidise camps for all students this year.

School Council
There will be a School Council meeting tonight at 7.30pm in the library.

Building Project.
To manage the numerous large scale building projects in the region at this time the Education Department will be appointing architects and project managers to schools. The project managers will be responsible for the project including managing the appointment of building contractors to complete work.
I will have my first meeting with our appointed project management team next Tuesday afternoon. I will keep the community informed as plans are drawn and decisions are made.

Lynn Lyles

Chess Championship
Will, Bailey, James, Harry, Indi, Samuel, Sarah and Jim attended the Regional Chess Tournament in Warrnambool last Friday. Much to their surprise they faced opponents up to, and over, 16yrs of age, but never the less put up a mighty fight, winning many games. Towards the end of the day James and Harry were playing up on the high ranking tables, later presented with special credit certificates. At the final presentation Macarthur Chess team won 3rd place. What an achievement. Go Macarthur!

Hawkesdale Community Rally
Conducted by the MOYNE Shire,
With Mayor Cr Ken Gale
Wednesday 13th May 2009, Hawkesdale Memorial Hall

From 6:30pm for 7pm start
To send a strong message that rural communities in our shire want their services maintained and strengthened - not diminished.

Under threat has been police services in neighboring towns, Australia Post Koroit and other Australia Post small town locations, Hawkesdale and Mortlake P12 Colleges to a K-9.

The effect on Hawkesdale if our college was made K-9 would be catastrophic. While it is yet to be presented as a formal proposal, it has been put forward for discussion. The Barwon South West Region of DEECD has not said that it will back our college as a P-12 into the future.

Send a strong message that any new District provision of Education model must include Hawkesdale and Mortlake as going through to year 12, adequately and properly funded and resourced.

Reject the idea before it becomes a proposal.

HADDAC urges every family of the district and of Hawkesdale P12 College to be represented at this rally. Fill the Hall!

Hawkesdale & District Development Action Committee Inc (HADDAC)

---

Hawkesdale P12 College

Enjoy 21st century learning in a country setting
YEAR 7 OPEN DAY
Afternoon – 1.45-3.00pm
Evening – 7.00-8.30pm
TUESDAY 19TH MAY
FOR FURTHER INFORMATION PHONE 5560 7225

Please RSVP by Monday 18th May by phoning the College Office indicating your preference of session.

Come and see how much Hawkesdale P12 College has to offer in a peaceful country environment. Meet with our staff and students and discover the depth of our curriculum and what 21st century learning can provide.

On Thursday the senior citizens came to grade 2/3. My partner was John. John and I played sprouts. John was asking me lots of questions about sprouts. I won three times in a row. After that John and I looked at pennies, half penny, three pence, six pence, florin and shillings. After that John and I played euchre. He was really good at it because he puts his lowest cards out first and his highest cards out second. John showed me a card trick. He put down three piles of cards and told me to think of a card. He said “What pile is the card in?” He asked me again and again. He put ten cards upside down and then flips the eleventh card the right way. I was thinking of a four and it was a four. It was unbelievable.

It was really good that the senior citizens came.

Today the senior citizens came to grade 2/3. First we learnt how to play sprouts, then we played it. I won but Lucy lost. Then we played snakes and ladders. Roy already knew how to play it because he had it when he was a kid. Then we played “Go Fish”. Lucy and I had to teach him how to play it. Then he got the hang of it. But we don’t know who won. He said it was fun being back to school. He started school 85 years ago.

It was very good having a chat to Roy.

Kyle Smitten
Can a child grow out of asthma?
No, there is no cure to asthma. It is more likely to occur in younger years when the airways in the lungs are still developing and therefore more sensitive. However, once someone has been diagnosed with asthma, they can remain symptom free for an extended period with symptoms then reappear later in life.

Why should a spacer be used when taking medication through a puffer?
Spacers deliver more medication to your lungs, minimize side effects and require less coordination. A spacer is a plastic container with a mouthpiece and one way valve at one end and a hole for a puffer at the other. Medication is sprayed into the spacer, then immediately breathed in.

Can I overdose a child on reliever medication?
No, the blue reliever medication is completely safe and you cannot overdose a child with this medication. There can be side effects from the extended use of blue reliever medication in a short period of time, including raised heart rate, hyperactivity, shakiness or headache, but these side effects usually subside quickly and are preferable to the potential damage from not being able to breathe.

What if the child is allergic to Ventolin?
It is very rare for this to occur; however in this circumstance you can administer a Bricanyl turbuhaler, as it does not contain salbutamol. If the child is allergic to the propellant in the metered-dose inhaler; then a dry powder turbuhaler is suitable to use in this circumstance.

To obtain a FREE Asthma Control Pack, containing information to assist parents and students in managing their asthma, please call Louisa or Sarah at The Asthma Foundation of Victoria on 1800 645 130 or email schools@asthma.org.au
